Halloween Favorites, Bk 2: 11 Original Piano Solos By Alfred And Myklas Composers

Synopsis

Customer Reviews

Lots of fun pieces in mid-elementary to late-elementary/early-intermediate level, many of which are mostly lin positions. There are enough pieces of varying levels that I plan on using this book over two years with some of my students, playing the easier pieces this year and saving the more difficult

ones for next year. Only 3 stars because this book is riddled with editorial errors. Several of the pieces contain cryptic markings and letters that are not musical notations and make no sense. It doesn't affect the songs' playability, but it's unacceptable in an Alfred book being sold on the market.

My students love this series of Halloween books! Perfect for a level 2A/ 2B student.

The Alfred Halloween Favorites are filled with pieces students LOVE to play!
