Are You There, Vodka? It's Me, Chelsea

Synopsis

In *My Horizontal Life*, actress and stand-up comedian Chelsea Handler boldly recounted her one-night stands—the good, the bad, and the disastrous. In this wickedly honest new work, she casts the net wider with even funnier results, recalling the most noteworthy highs and lows of her life to date—including her efforts to diversify by dating red-haired men, her obsession with midgets, and the dog-sitting interlude in which her boyfriend became overly familiar with a Peekapoo. Whether it's a vacation with her dad during which he tells airline staff they're a honeymoon couple in order to get an upgrade, or her elaborate attempts to convince her third-grade classmates that she's starring in a *Private Benjamin* sequel, Chelsea lets it rip in these relentlessly entertaining essays. Displaying the candor and irresistible turn of phrase that have earned her a recurring stint as a correspondent on *The Tonight Show* as well as her own E! series, *Chelsea Lately*, this deliciously skewed collection is a guilty pleasure. --This text refers to the Paperback edition.

Book Information

Audible Audio Edition

Listening Length: 6 hours and 13 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Simon & Schuster Audio

Audible.com Release Date: April 22, 2008

Language: English

ASIN: B0018ABJ7O

Best Sellers Rank: #53 in Books > Audible Audiobooks > Humor > Essays #90 in Books > Audible Audiobooks > Biographies & Memoirs > Entertainers & Celebrities #162 in Books > Humor & Entertainment > Humor > Essays

Customer Reviews

Having seen Chelsea doing stand up and on *Girls Behaving Badly*, I was anxious to see how her wicked sarcastic wit would translate into text. It's fantastic! A seriously gifted writer, who combines funny and uninhibited raunchiness better than any woman. And it's not just the sheer ridiculous circumstances she encounters. She reflects about her mindless journeys and the meaning of life in such an amusing, self-deprecating and cynical manner. Filled with funny anecdotes, she has that trashy comedienne's gift of saying everything we think about but are afraid to say. And she

manages to share absolutely horrifying events and somehow make them hysterical! There are some hilarious and uncomfortable family situations. Her father was quite the provider of wisdom, selling used junkyard cars out of their front yard, while making inappropriate sexual innuendos towards his daughters. There's some really funny and humiliating youth debacles and misadventures. My favorites; her embarrassing and preposterous fake celebrity elementary school tale, a LOL birthday party for a friendless girl full of re-gifting, pretending to be honeymooning with her father in order to upgrade to first class. The Mini-Me and Prison Break chapters are just classics. Frankly if she wasn't successful, she may have ended up a basket case. At some points in a story, I laughed so hard, my husband kept trying to steal the book from me. I didn't want the book to end. Everyone can find something to relate to in one of these stories. If you are sensitive or quick to take offense, I would pass on this one. If you have a repressed wild side, you'll dive in headfirst and relish her antics and live vicariously through them.
