Basic Fiddlers Philharmonic Celtic Fiddle Tunes: Cello & Bass

Synopsis

New from the Philharmonic series, this collection is an absolutely perfect way to introduce Celtic fiddling to your youngest string players! Eleven tunes from the Celtic fiddling tradition are presented first in a simplified, very easy ""Basic"" version of the tune printed with note names in the note heads. The tune is also presented in an ""Advanced,"" but still accessible version of the tune. Lyrics are included where applicable. The optional accompaniment CD features recordings of the Basic and the Advanced tune as well as a back-up track for play-along at home or in class.

Great Tunes in a wonderful layout! The book has the basic tune, advanced tune, and back-up all on one page. The improvisation suggestions in the back are great and will keep students that are on multiple levels entertained. I also love that the lyrics and story behind each tune are posted as well as a few great pictures on each page. It's a great book to use individually or in a group setting because they provide you with 2 versions of the tune and back-up.

Excellent book for a beginning player, or one coming back into it after a hiatus.

love the book!

No good, was for bass and cello. Was not evident in the descriptor
