Real Estate Law (Real Estate Law (Seidel, George))

Synopsis

Succeed in your real estate law course with REAL ESTATE LAW, 9th Edition. This proven text combines practical legal examples with theory and case law to give you a comprehensive picture of the field. Rather than using a state-specific format, the book covers real estate law generally, offering discussions, short case summaries, longer teaching cases, exhibits, and practical applications that help you spot the issues, apply legal principles to realistic situations, and recognize when to consult an attorney. Coverage of ethical concerns and public policy matters helps you understand key issues relating to real estate law. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Customer Reviews

Needed for real estate law class. Easy to read and understand

The book is fine and was much less costly than others, however, having to have it shipped to another state because I couldn't ship it to South Carolina was very inconvenient.
