Customer Reviews

I'm a fairly decent recorder player, but this book is way beyond my abilities. It's definitely expert level. I was hoping for something fun to play, but this wasn't it. This makes a better piano book.

These eighteen songs are all written on the treble or G clef, with no notes below the treble clef and none I could find above. They are for solo recorder or voice (with words printed), and there is no piano accompaniment score. The last page before the back cover shows many more collections from Hal Leonard, including The Beatles Complete, with piano/vocal/guitar. These are the Beatlesâ TM songs in this recorder songbook: All My Loving; And I Love Her; The Ballad of John and Yoko; Canâ TMt Buy Me Love; Come Together; Day Tripper; Eight Days a Week; Here, There and Everywhere; Hey Jude; In My Life; Let It Be; Michelle; Norwegian Wood (This Bird Has Flown); OB-LA-DI, OB-LA-DA; Paperback Writer; Penny Lane; With a Little Help From My Friends; and Yesterday. Easy to read, even without your trifocals. A nice collection, but that complete book is probably what I am looking for. Iâ TMll keep this one, though.

This is a really good songbook, it is the Beatles so how could you go wrong? Although this book is for soprano recorder, it works well for piano, and guitar. So, I get a chance to use this book a lot.
