Economics Of The Public Sector (Fourth Edition)

Synopsis

The long awaited revision of a classic text by an expert author team. What should be the role of government in society? How should it design its programs? How should tax systems be designed to promote both efficiency and fairness? Nobel Laureate Joseph Stiglitz and new co-author Jay Rosengard use their first-hand policy-advising experience to address these key issues of public-sector economics in this modern and accessible Fourth Edition.

Customer Reviews

Unfortunately this book turned out to be a disappointment. I found it poorly written, hard to understand, inconsistent and boring compared to other books on public economics i have read. I can not in any way recommend this book.

This book is kind of hard to follow. I'd pick alternative book

Great book.
