WP207 - Bastien Piano Basics - Theory Level 2

Synopsis

Theory is the theory workbook portion of the Bastien Piano Basics course. Each book contains written work and some short pieces to reinforce the concepts presented in Piano. Games, puzzles, and colorful illustrations make learning fun! Your students will gain a better understanding of the music they are playing, and they will learn more easily when theory instruction is a regular part of their piano studies. Each page is carefully correlated with Piano, Performance, and Technique. Level 2 provides theory materials correlated with Piano.

Customer Reviews

The order of 2 books was placed on Oct 26, 2014. We did not receive them until Nov 10, 2014. Books are old and full of written notes on the inside of pages.

I need this book to teach piano lesson. It is cheap and it arrived in a few days. The only problem is that shipping fee is a little high.

My 8 year old daughter uses these piano books. I needed it for her next piano lesson and it came in 2 days.

Good beginning piano books, we started with the Bastien books and have had great success so far.

Great addition to the "Piano" book for Level 2, not matter what the age of the student.

Just what the teacher wanted. My grandson loves this series.
